

WEBSITES FOR MUNICIPALITIES

Keep your residents informed by posting news and announcements on a well-organized homepage.

Reduce calls to the office by posting meeting minutes, public notices, and other info online.

Convert documents like burn permits and other applications into convenient online forms.

Maximize your tax dollars with STG's affordable rates, high-quality service, and reliable support.

Attract viewers on-the-go with a mobile-friendly website that looks great on any device.

Receive training and manage your own site updates, or relax and let us handle it.

Michigan Public Act of 2018 No. 660 may REQUIRE YOU TO HAVE A TOWNSHIP WEBSITE!
Sec. 10g. (d): "If a...township building within the assessing district is in an area with broadband internet access, [the township must] provide taxpayers online access to information regarding its assessment services, including, but not limited to, parcel information, land value studies and documentation..."
